IT MAY BE SUMMER BUT WINTER IS NOT THAT FAR AWAY!

Winter Market

Plans are underway for the 4th annual MWG Winter Market on Saturday, November 23. We have developed a good customer base for the sale. There are people who come just for the sale, in addition to people who are there for the youth theater and other activities in the building. However I need to know who is planning to take part in the sale this year. Last year there were only six of us taking part and we need to provide a larger selection for our customers. We have always had fun at the sale and people have been happy with the results. If we do not have enough people committed to the sale it will be canceled. Please let me know by August 15 if you would like to be in the sale.

Thank you,

MWG - MLH EXHIBIT REQUEST

Do you have a piece from one of the MWG workshops over the past two years that you would be able to put into the Guild exhibit at the MLH Conference? Please get your piece to Andrea Anderson by August 1. With each piece I will need your name, technique and from which workshop it is.

So far I have Nancy Peck and Karen Folland helping me set up and only Karen will be taking it down. If you will be able to help with either set up or take down please let me know. Set up will start at 3:00 on Friday, August 9 and take down will start at 4:30 on Sunday, August 11. Nancy will not be there on Sunday and Andrea will be teaching a seminar until 4:30. Please volunteer to come help Karen take down.

Contact Andrea Anderson if you have a piece for the exhibit and/or are able to help with set up and/or take down.
