

Michigan Weavers Guild Presents a Workshop by
Bosali Biswas
"2015 Dye Day"

Bosali says, "a work of art bears the stamp of individuality and the national bearing of its creator when it springs from inner self and is devoid of any pretensions. Being from India, a country with an extremely rich heritage of Art and Culture, I have always had a deep-rooted attachment to traditional art forms of India and owe some of my stylization to the captivating traditional patterns and the rich array of colors. Adapting to Western Styles and techniques, combining them with my lifelong fascination for ethnic arts around the world, have all been a melting pot for me to create this multicultural 'canvas'."

Dye Day led by Bosali Biswas will be some painted warp if there is enough interest and some simple ikat, along with regular tub-dyeing of yarns.
